

Scholarships are now available through the Masonry Institute of Michigan Scholarship Foundation valued at \$5000 for one academic year!

Qualifications

Currently enrolled students with a minimum 2.9 grade point average will be considered. Applicant must be a United States citizen, a Michigan resident, a graduate of a Michigan high school, and have completed a *minimum of three consecutive semesters*. Applicants will not be disqualified on the basis of race, sex, color, age, marital status, or national or ethnic origin.

Preference will be given but not limited to students with family members working in the Architectural/Engineering/Construction industries, specifically family members who are mason contractors and/or employed as bricklayers.

All qualified students are encouraged to apply!

Please make sure your application is received by the MIM Scholarship Foundation on or before May 12, 2023 in order for your application to be considered.
